COME PLAY AMONGST ANYTIME & OUR WORLD.

Welcome to the strip, the only place where you can find fortune or fame! Viva Las Vegas!

Enter the bright light city through giant Casino chips, blue sequin draping and the dazzling welcome glitter sign of Las Vegas. The venue is wrapped in 6 m high multi coloured sequin draping, dotted throughout the walls and complemented with spot lighting giving a true Vegas feel.

To honour the famous Casinos of the strip, you'll find Flamingos, Palms, Roulette Wheels, Black Jack Tables and larger the life Playing Cards, all enticing your guests to roll the dice. But of course one must have the complete Vegas experience, and that means a Las Vegas Wedding Chapel. We give you the true environment with flowing sexy chic white draping, complete with white wedding garden and a statue of Elvis to preside over the ceremony. One must say "I Do"!

So let the bright light city take your soul and set the world on fire! Elvis has left the building!
